[Install the Code: Asterisk Now](#)

The screenshot shows the Asterisk PBX administration interface. The main content area is titled 'System Status' and contains several panels:

- FreePBX Notices:** A list of notices with red circular icons.
- FreePBX Statistics:** A table showing various statistics, including 'System Recordings', 'Internal calls', 'External calls', and 'Total active channels', all with a value of 0.
- FreePBX Connections:** A section for connection statistics.
- Uptime:** A section showing system and Asterisk uptime, and the last reload time.
- System Statistics:** A section showing processor, memory, and disks usage.
- Networks:** A section showing network interface statistics.
- Server Status:** A section showing the status of various services like Asterisk, MySQL, Web Server, and SSH Server, all marked as 'OK'.
